In addition to mandatory class times students will be required to drive once or twice per week. Majority of the lessons will be two hours. During the school year, students must be available on class days from 3:15-4:15, non-class weekdays from 3:15-6:15, Saturdays 9:00-12:00, Sundays 9:00-12:00. At a minimum, we need 3 non-class days indicated for availability. The more days/times you indicate the more likely your student will be accepted into the program. These times must remain open for the duration of the course. Changes that alter or limit their ability to drive such as signing up for a sport, job, crew, band, etc. cannot be accommodated.

**If this sheet is not completed then your paperwork cannot be processed.
Students are accepted into the program based on their availability to drive.**
